INTERNATIONAL CONFERENCE ON TRAFFIC AND TRANSPORT ENGINEERING

ICTTE

27th – 28th September 2018
Belgrade, Serbia

Call for Papers & Registration

About the Conference

The International Conference on Traffic and Transport Engineering (ICTTE Belgrade 2018) should promote traffic and transport as the constant growing industries, and their importance nowadays. The conference aims to provide a platform for discussion, interactions and exchange between researchers, scientists and engineers whose fields of interest are traffic and transport engineering.

ICTTE Belgrade 2018 will be jointly organized by the City Net Scientific Research Center Ltd. Belgrade, University of Belgrade, Faculty of Transport and Traffic Engineering and H2020 project INTEND (Indentify Future Transport Research Needs, GA no. 769638).

ICTTE Belgrade 2018 will be co-hosted by the AIIT (*Associazione Italiana per l'Ingegneria del Traffico e dei Trasporti*) Research Center, Rome, Italy and will be organized under the auspices of the Italian Society of Transportation Infrastructures (SIIV – *Società Italiana di Infrastrutture Viarie*).

Conference Topics

Papers presenting contemporary research for different transportation modes are welcome, including air, road, railway, maritime and inland waterways, and logistics. Conference program will include topics of interest that include, but are not limited to:

- Air transport operations
- Information communication technology and transport systems
- Inland waterways traffic and transport research
- Maritime transport and ports research
- Management of intelligent rail transport systems
- Postal traffic and networks research
- Telecommunication traffic and networks research
- Multimodal transportation and logistics research
- City logistics
- Urban transport, land use development, spatial and transport planning
- Roads planning, design and construction issues
- Sustainable transport and urban mobility
- Public transport planning and operations
- Transport economics, finance and pricing
- Transport equity appraisal
- Transportation policy
- Transport infrastructure and intelligent transport systems
- Smart cities and smart mobility
- Energy consumption and emission modeling
- Transport and the environment protection including green vehicles
- Motor vehicles: design, manufacture, exploitation and maintenance
- Transport modeling and decision making
- Dynamic transport network modeling and optimization
- Decision support analysis and operation research
- Big data in transportation
- Transport safety and security analysis
- Human factors and travel behavior
- Road safety and human factors
- Transportation planning and traffic engineering, etc.

Official Language of the Conference

English.

Abstract and Paper Submission

All submissions for the ICTTE Belgrade 2018 will be managed electronically via email conference@ijtte.com.

Authors are invited to submit their abstracts no later than 15th February 2018. Abstracts should be text only, up to 300 words long, and should be written in English. Aside from the abstract, at least 3 keywords should be provided. The authors will be informed about the acceptance of the abstracts no later than 1st April 2018.

Authors of the accepted abstracts are invited to submit full papers using the template on the website www.ijtte.com, no later than 1st July 2018. Both, abstracts and full papers will be reviewed by two international scientists.

Registration

Participants are welcomed to register for the conference by filling in the registration form on the conference web page www.ijtte.com.

Conference Fee

A paid conference fee is admitted for one full paper submitted, regardless of the number of authors of the paper. If the paper is presented at the conference by one author, the others are welcomed to the conference under the accompanying person fee. Fee includes attending to the conference, conference materials, coffee and lunch breaks during the conference and official dinner. Accommodation is not included.

Registration fees	Early (by 30th July 2018)	Late
Ordinary	300 EUR	400 EUR
Student	200 EUR	250 EUR
Accompanying person	100 EUR	150 EUR

If you would like your paper to be included into conference proceedings*, please pay the fee no later than 1st September 2018. All papers will be presented at the conference via PowerPoint presentation.

* ICTTE Proceedings have been indexed within Thomson Reuters's CPCI – *Conference Proceedings Citation Index* – accessed via Web of Science.

Important Dates

- Abstracts submission deadline: 15th February 2018
- Information of the acceptance: 1st April 2018
- Full paper submission deadline: 1st July 2018
- Information of the acceptance: 15th July 2018
- PowerPoint presentation submission deadline: 1st September 2018
- Conference: 27th – 28th September 2018

Additional Information

If you need any additional information about the conference, we kindly invite you to visit and follow the website www.ijtte.com. Should you have any specific question, please do not hesitate to contact us.
